Date

Please Note:

- Our site will be open from 9.30 a.m. until 4p.m.
- Refreshments will be provided, toilets are on site and there are plenty of parking spaces.
- **Owners of steam locomotives must provide a valid boiler certificate, for inspection prior to running it on our track.**
- **Please bring your current Membership Card and a valid Insurance certificate.** We have covered steaming bays with a 12 volt supply and compressed air. Carriages are available, which are fitted with standard vacuum brakes.
