DIESEL LOCOMOTIVE

Payment of £55.00 in full, cash or cheque (Payable to LMMES), at time of booking.

Signature Date.....

We will contact you with 5 working days of receiving your application to discuss your arrangements.

Please Note:

- We are an entirely voluntary organisation and there may be occasions when we are unable to provide an adequate number of trained staff for the safe operation of the railway. On these rare occasions it will, regretfully, be necessary to re-arrange a course date.
- Cancellations – If the booking is cancelled seven days or more prior to the charter, we will re-arrange the course date. Any cancellation by the attendee within seven days will result in the forfeit of the deposit. Cinderbarrow Miniature Railway reserves the right to cancel a course date if there is heavy rain or for other operational reasons. This is for safety and the decision of our Operating Superintendent is final. If the charter is cancelled in circumstances such as these, then we will re-arrange the course date.
